Debby Stark's delightful work "Shortest LnC Story Ever" (http://www.lcfanfic.com/stories/shortest.txt) was 14 words long. After reading it, Lynn S. M. decided to turn it into a challenge. Here are the results, listed in order of decreasing word count. Where there is a tie for word count, the stories are listed in the order in which they were posted to the Lois & Clark Fanfic Message Board. All stories are rated G.

Standard disclaimers apply: No one here owns anything related to Lois and Clark except the stories which they have written. These stories are all not-for-profit.
