Description: Not your typical Mary Sue story.

Disclaimer: I own nothing Superman-related. I am just borrowing Lois and Clark from DC Comics and Warner Brothers for a little not-for-profit fun.

Lois accosts me on my way to my desk.

“Clark, you’re in late. Where have you been?”

My mind is already on the story write-up, and I answer distractedly, “Oh, I was putting out a fire in the warehouse district.”

“**You** put out a fire?!” Lois’ expression rapidly transitions from incredulity to enlightenment.

Oops. So much for my secret identity.
